

KIDSTRUCTION

13TH ANNUAL KIDSTRUCTION WEEK

KIDstruction Week is your chance to join together as colleagues and friends in the architecture, construction and engineering industries to support the mission of St. Louis Children's Hospital to do what's right for kids.

How your sponsorship will help:

By supporting KIDstruction Week you are allowing us to continue to make a great impact on child health by delivering compassionate and family-centered care, creating pioneering research studies with game-changing results or increasing access to free pediatric care throughout the St. Louis community. The funds we raise allow us to immediately support any needs that arise at the hospital at any time. To learn more, visit [KIDstructionWeek.com](https://www.kidstructionweek.com).
