

Thank You for Your Generosity

On behalf of the children, families and staff at St. Louis Children's Hospital, thank you for your in-kind donation. Your thoughtful contribution is making a difference for our patients while our doctors, nurses and staff work diligently to safeguard the lives of more than 100,000 children in our community and beyond each year. We couldn't do this lifesaving work without the generosity and commitment of donors like you.

Thanks to you, St. Louis Children's can continue to fulfill our mission to *do what's right for kids!*

With sincere gratitude,

Trish Lollo
President
St. Louis Children's Hospital
